

INTRODUCING THE WORLD'S FIRST **COMMERCIALLY-ACCEPTABLE POWER MATRIX.**

# COMPLETE POWER

Merging **Green** & Technology

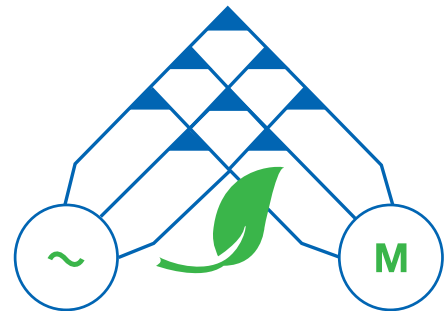

**Get complete power over your HVAC operations, realize greater operating productivity and energy savings, and meet your high performance building needs with the new Z1000U HVAC Matrix Drive.**

Our new low harmonic/regenerative drive is the world's first commercially acceptable power matrix drive.

- Lower Harmonics
- Greater Efficiency
- Compact Size
- Reduce Power Consumption

**Enter the Matrix. Learn more at [www.yaskawa.com/z1000umatrix](http://www.yaskawa.com/z1000umatrix).**
